

NASDAQ Options Market Launch to be Rescheduled

Please Route To: Options Contacts, Head Traders, Technical Contacts, Compliance Officers, Vendor Tech, Buy-Side Contacts

What you need to know:

- With the approval of The NASDAQ Options Market rule filing still pending, the launch of The NASDAQ Options Market, originally scheduled for Friday, December 7, 2007, will be rescheduled.
- Testing opportunities will continue to be available.
- Further information, including the new launch date, will be communicated as it becomes available.

Who you should contact: [NASDAQ Market Sales](#) at 800.846.0477

What is the update on The NASDAQ Options Market?

Because the approval of The NASDAQ Options MarketSM rule filing is pending, the launch of The NASDAQ Options Market, originally scheduled for Friday, December 7, 2007, will be rescheduled. Further information, including the new launch date, will be communicated as it becomes available.

Will testing continue to be available?

Yes. Testing for The NASDAQ Options Market continues to be available on a daily basis. Information on any additional Saturday User Acceptance Tests (UATs) will be communicated as it becomes available.

To test during the week:

- Complete a [Port Request Form](#) if you have not already done so and submit it to [NASDAQ[®] Subscriber Services](#) via email or by fax at 212.231.5426.
- Once the port is configured and connectivity is established, contact [NASDAQ Trading Services](#) at 212.231.5180 to coordinate the testing. Trading Services can identify the instruments listed on The NASDAQ Options Market test system.

How can I subscribe to Options Trader Alerts?

If you would like to subscribe to receive all Options-related news items, please visit the [NASDAQ Trader[®] website](#) to sign up.

How can I get additional information?

- View the [Options Market](#) page on the NASDAQ Trader website.
- Contact [NASDAQ Market Sales](#) at 800.846.0477.

NASDAQ is the largest U.S. electronic equities exchange. With approximately 3,100 companies, it lists more companies and, on average, trades more shares per day than any other U.S. electronic market. It is home to companies that are leaders across all areas of business including technology, retail, communications, financial services, transportation, media and biotechnology. NASDAQ is the primary market for trading NASDAQ-listed stocks as well as a leading liquidity pool for trading NYSE-listed stocks. For more information about NASDAQ, visit the NASDAQ Trader website at www.NASDAQTrader.com.
