How can I stay informed about what is available for trading on The NASDAQ Options Market?

To stay informed about what series are available to trade on The NASDAQ Options Market, firms should [subscribe](#) to NASDAQ Options Market data feeds or derive the information from the OPRA feed.

The NASDAQ Options Market proprietary data feeds (ITTO, DAP, BONO, NOIView) contain a symbol directory message that identifies each options series that The NASDAQ Options Market will be trading for that day. These feeds will also disseminate messages for intra-day series adds. For more information on The NASDAQ Options Market data feeds, please see our [options data feed page](#) on the NASDAQ Trader[®] website.

Throughout April, The NASDAQ Options Market will continue to announce new underlyings via Options Trader Alerts.

How does NASDAQ communicate Options Market system problems to its members?

If The NASDAQ Options Market should experience system problems affecting its members, system status alert emails will be distributed. If you would like to receive system status alerts contact Subscriber Services at 212.231.5180 to sign up.

Where can I get additional information?

- View The [NASDAQ Options Market page](#) on the NASDAQ Trader website.
- Contact [NASDAQ Market Sales](#) at 800.846.0477.

[Subscribe](#) to NASDAQ's email notifications or [change your subscription status](#) to NASDAQ's email notifications. Please note that if you choose to unsubscribe from an email list, you may no longer receive potentially critical emails from the NASDAQ Stock Market regarding NASDAQ's trading and data products, regulatory issues or marketplace initiatives.

NASDAQ is the largest U.S. electronic equities exchange. With approximately 3,200 companies, it lists more companies and, on average, trades more shares per day than any other U.S. electronic market. It is home to companies that are leaders across all areas of business including technology, retail, communications, financial services, transportation, media and biotechnology. NASDAQ is the primary market for trading NASDAQ-listed stocks as well as a leading liquidity pool for trading NYSE-listed stocks. For more information about NASDAQ, visit the NASDAQ Trader website at [www.NASDAQTrader.com](#).
