RE: Jefferies LLC, Respondent
    Member Firm
    CRD No. 2347

Pursuant to Rule 9216 of Nasdaq PHLX LLC ("PHLX" or the "Exchange") Code of Procedure, Jefferies LLC ("Jefferies", the "Firm", or "Respondent") submits this Letter of Acceptance, Waiver and Consent ("AWC") for the purpose of proposing a settlement of the alleged rule violations described below. This AWC is submitted on the condition that, if accepted, PHLX will not bring any future actions against the Respondent alleging violations based on the same factual findings described herein.

I.
ACCEPTANCE AND CONSENT

A. Respondent hereby accepts and consents, without admitting or denying the findings, and solely for the purposes of this proceeding and any other proceeding brought by or on behalf of PHLX, or to which PHLX is a party, prior to a hearing and without an adjudication of any issue of law or fact, to the entry of the following findings by PHLX:

BACKGROUND

Jefferies became a member of FINRA on March 1, 1963 and PHLX on May 9, 2012, and its registrations remain in effect. The Firm provides investment banking and brokerage services. It is headquartered in New York, New York and has branch offices in 12 states, Puerto Rico and the District of Columbia. The Firm currently employs approximately 1,726 registered representatives.

RELEVANT PRIOR DISCIPLINARY HISTORY

On July 15, 2016, the Firm was censured and fined $50,000 for violating Rule 17a-3(a)(6)(i) promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and PHLX Rules 1064(d), 760, 748, and 707, by: (i) failing, on a single trade date, to maintain an accurate record of the order receipt time and order transmission times of an options order; (ii) purchasing and executing an order in its proprietary account for a security, after receiving a customer spread order for options related to that security but before exposing it to a trading crowd, in order to hedge its anticipated facilitation of the customer's options order; and (iii) failing to maintain, establish, and
enforce a reasonable supervisory system and written supervisory procedures ("WSPs")
for reviewing options order records for erroneous or missing order receipt times.

SUMMARY

1. The Financial Industry Regulatory Authority's ("FINRA") Trading and Financial
   Compliance Examinations staff (the "Staff") within the Department of Market
   Regulation, on behalf of PHLX and other options exchanges, conducted a review of the
   manual options order tickets handled by the Firm during the period between July 11,
   2016 and July 15, 2016 (the "Exam Review Period").

2. During the Exam Review Period, Jefferies failed to accurately record the order receipt
   and order transmission times of manual options orders it had routed to floor brokers at
   PHLX and various other national securities exchanges for execution in violation of Rule
   17a-3(a)(6)(i) promulgated under the Securities Exchange Act of 1934, as amended (the
   "Exchange Act"), and PHLX Rule 760. The Firm also violated PHLX Rule 748(h)
   because its WSPs and supervisory system applicable to the handling of manual options
   orders by its Derivatives Trading Desk during the period between July 2016 and July
   2019 (the "Supervisory Review Period") were not reasonably designed to achieve
   compliance with, and to detect and prevent, insofar as practicable, violations of, the
   applicable recordkeeping provisions of the federal securities laws and PHLX rules.

FACTS AND VIOLATIVE CONDUCT

3. The recordkeeping provisions of the federal securities laws and PHLX rules are designed
   to ensure that regulators have access to certain basic information about securities
   transactions. Access to transaction records serves as an essential component for effective
   surveillance and examination of broker-dealers by PHLX and other self-regulatory
   organizations.

4. Section 17 of the Exchange Act and Rule 17a-3(a)(6)(i) promulgated thereunder require
   broker-dealers, such as Jefferies, to create a brokerage order ticket of each brokerage order,
   and of any other instruction, given or received for the purchase or sale of securities, whether
   executed or unexecuted. In relevant part, the rule requires the brokerage order ticket to
   show, among other things, the terms and conditions of the order or instructions, the time the
   order was received, the time the order was entered, and the time of execution or
   cancellation. Such records must be accurate.

5. PHLX Rule 760 requires member firms to make, keep current, and preserve books and
   records as prescribed by the Exchange Act.

6. PHLX Rule 748(h) requires member organizations to establish, maintain and enforce
   WSPs, and a system of supervision for applying such procedures, that are reasonably
   designed to supervise the types of businesses and activities in which they and their
   associated persons engage in order to achieve compliance with, and to prevent and detect,
   insofar as practicable, violations of, applicable securities laws and regulations, including
the By-Laws and Rules of the Exchange.

7. During 2016, the Firm handled approximately 1,380 manual options orders, approximately 30% of which were manual customer orders routed to options exchange floor brokers for execution. A sample of 49 manual options customer options orders routed to floor brokers at the various options exchanges during the Exam Review Period was reviewed for timestamp accuracy.

8. From the sample of 49 manual customer options orders routed to various options exchanges for execution during the Exam Review Period, the Firm did not maintain an accurate record of the order receipt time for 14 (approximately 29%) of the sampled orders. Of these 14 orders, one was executed on the PHLX.

9. From the same sample of 49 manual customer options orders routed to options exchanges for execution during the Exam Review Period, the Firm did not maintain an accurate record of the order transmission times for 39 (approximately 80%) of the manual customer orders routed to floor brokers for execution. Of these 39 orders, 15 were executed on the PHLX.

10. The conduct described in paragraphs eight and nine constitutes violations of Rule 17a-3(a)(6)(i) promulgated under the Exchange Act, and PHLX Rule 760.

11. The Firm’s Derivatives Trading Desk handles institutional clients and facilitates customer orders. During the Supervisory Review Period, the Firm failed to establish and maintain WSPs and a supervisory system that were reasonably designed to achieve compliance with, and to detect and prevent violations of, the recordkeeping provisions of the federal securities laws and PHLX rules that require the accurate documentation of the order receipt and transmission times of options orders. Specifically, the Firm’s WSPs and supervisory system did not include a supervisory review for the presence and accuracy of the order receipt and transmission times of options orders handled by its Derivatives Trading Desk. Moreover, although the Firm represented that it captured the order transmission time on instant message communications, its supervisory review did not include a review of such communications for the presence or accuracy of order transmission times.

12. The conduct described in paragraph 11 constitutes a violation of PHLX Rule 748(h).

B. Respondent also consents to the imposition of the following sanctions:

A censure and a fine of $64,000, of which $32,000 ($27,000 for the books and records violations and $5,000 for the supervision violations) shall be paid to PHLX.¹

Acceptance of this AWC is conditioned upon acceptance of a similar settlement agreement in a related matter between the Firm and NYSE American LLC.

¹ The balance of the fine shall be paid to NYSE American LLC.
Respondent agrees to pay the monetary sanction upon notice that this AWC has been accepted and such payment is due and payable. It has submitted a Payment Information form showing the method by which it proposes to pay the fine imposed.

Respondent specifically and voluntarily waives any right to claim that it is unable to pay, now or at any time hereafter, the monetary sanction imposed in this matter.

The sanctions imposed herein shall be effective on a date set by FINRA staff.

II.

WAIVER OF PROCEDURAL RIGHTS

Respondent specifically and voluntarily waives the following rights granted under PHLX’s Code of Procedure:

A. To have a Formal Complaint issued specifying the allegations against the Firm;

B. To be notified of the Formal Complaint and have the opportunity to answer the allegations in writing;

C. To defend against the allegations in a disciplinary hearing before a hearing panel, to have a written record of the hearing made and to have a written decision issued; and

D. To appeal any such decision to the PHLX Review Council and then to the U.S. Securities and Exchange Commission and a U.S. Court of Appeals.

Further, Respondent specifically and voluntarily waives any right to claim bias or prejudgment of the Chief Regulatory Officer, the PHLX Review Council, or any member of the PHLX Review Council, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including acceptance or rejection of this AWC.

Respondent further specifically and voluntarily waives any right to claim that a person violated the ex parte prohibitions of Rule 9143 or the separation of functions prohibitions of Rule 9144, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including its acceptance or rejection.
III.

OTHER MATTERS

Respondent understands that:

A. Submission of this AWC is voluntary and will not resolve this matter unless and until it has been reviewed and accepted by FINRA's Department of Enforcement and the PHLX Review Council, the Review Subcommittee, or the Office of Disciplinary Affairs ("ODA"), pursuant to PHLX Rule 9216;

B. If this AWC is not accepted, its submission will not be used as evidence to prove any of the allegations against the Respondent; and

C. If accepted:

1. This AWC will become part of the Respondent's permanent disciplinary record and may be considered in any future actions brought by PHLX or any other regulator against the Respondent;

2. PHLX may release this AWC or make a public announcement concerning this agreement and the subject matter thereof in accordance with PHLX Rule 8310 and IM-8310-3; and

3. Respondent may not take any action or make or permit to be made any public statement, including in regulatory filings or otherwise, denying, directly or indirectly, any finding in this AWC or create the impression that the AWC is without factual basis. Respondent may not take any position in any proceeding brought by or on behalf of PHLX, or to which PHLX is a party, that is inconsistent with any part of this AWC. Nothing in this provision affects the Respondent's right to take legal or factual positions in litigation or other legal proceedings in which PHLX is not a party.

D. Respondent may attach a Corrective Action Statement to this AWC that is a statement of demonstrable corrective steps taken to prevent future misconduct. Respondent understands that it may not deny the charges or make any statement that is inconsistent with the AWC in this Statement. This Statement does not constitute factual or legal findings by PHLX, nor does it reflect the views of PHLX or its staff.
The undersigned, on behalf of the Firm, certifies that a person duly authorized to act on its behalf has read and understands all of the provisions of this AWC and has been given a full opportunity to ask questions about it; that the Firm has agreed to the AWC's provisions voluntarily; and that no offer, threat, inducement, or promise of any kind, other than the terms set forth herein and the prospect of avoiding the issuance of a Complaint, has been made to induce the Firm to submit it.
