Cynthia Hoekstra,
The self-regulatory organization must provide all required information, presented in a clear and comprehensible manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Copies of notices, written comments, transcripts, other communications. If such documents cannot be filed electronically in accordance with Instruction F, they shall be filed in accordance with Instruction G.

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission’s permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.
1. **Text of the Proposed Rule Change**

The Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")\(^1\) and Rule 19b-4 thereunder,\(^2\) proposes to: (1) adopt fees associated with the implementation of an electronic registration process through the National Association of Securities Dealers, Inc. ("NASD") Web Central Registration Depository ("Web CRD");\(^3\) and (2) amend the Exchange’s fee schedule to reflect various changes to Registered Representative Registration fees in connection with the implementation of Web CRD.

Specifically, the Exchange proposes to adopt the following NASD fees that will be imposed in connection with participation in Web CRD: (a) an NASD CRD Processing Fee of $85.00; (b) an NASD Disclosure Processing Fee of $95.00; (c) an NASD Annual System Processing Fee of $30.00; and (d) fingerprinting fees which vary depending on the submission: for a first card submission the fee will be $35.00; for a second card submission the fee will be $13.00; for a third card submission the fee will be $35.00; and for a card submission where the member had prints processed through a self-regulatory organization and not the NASD, the fee will be $13.00. The NASD will process the fingerprint cards and will make the results available to the Exchange, its members, and member and participant organizations via Web CRD.

---

\(^3\) The Exchange notified the members regarding the migration to Web CRD on February 21, 2006, March 7, 2006 and March 27, 2006. The Exchange intends to send out another memorandum to the membership the week of April 10, 2006.
The Exchange is also proposing to assess its fees that are currently referred to on the Exchange’s fee Schedule as Registered Representative Registration fees to certain Exchange members designated on Form U4 as Member Exchange and to Off-Floor Traders. Therefore, the initial fee of $55.00, the renewal fee of $55.00 annually, the transfer fee of $55.00 and the termination fee of $30.00 will be assessed on Registered Representatives, Member Exchange and Off-Floor Traders.

In connection with the above-referenced fees, the Exchange is proposing to make minor, technical changes to Appendix A of its fee schedule for purposes of clarity. The Examinations Fee is being relocated on Appendix A of the fee schedule to group this fee with similar fees and the categories of Member Exchange and Off-Floor Traders are being added to the currently named Registered Representative Registration fee.

---

4 Registered Representative categories include registered options principals, general securities sales supervisors, and United Kingdom-limited general securities registered representatives. See also, Exchange Rule 604(a) and (d).

5 The Member Exchange category refers to Exchange permit holders.

6 Every person who is compensated directly or indirectly by a member or participant organization for which the Exchange is the DEA or any other associated person of such member or participant organization, and who executes, makes trading decisions with respect to, or otherwise engages in proprietary or agency trading of securities, including, but not limited to, equities, preferred securities, convertible debt securities or options off the floor of the Exchange (“Off-Floor Traders”), must successfully complete the Uniform Registered Representative Examination Series 7. See Exchange Rule 604.

7 The $55.00 initial registration fee and annual renewal fee are charged once per registered individual and is not charged per individual registration category. For example, if a person works for a member organization and requests to be registered as an ME and a Series 7 general securities registered representative, the NASD will collect only one Phlx initial registration fee of $55.00. Further, a person registered in multiple categories with a single member organization will be charged a single Phlx annual $55.00 renewal fee and not $55.00 per registration category.
The NASD fees will take effect upon the implementation of Web CRD, which is anticipated to begin to occur on April 10, 2006, at which time these fees are scheduled to become effective.8

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1 and a copy of the applicable section of Appendix A of the Exchange’s schedule of fees is attached hereto as Exhibit 5.

2. Procedures of the Self-Regulatory Organization

The Executive Committee, pursuant to delegated authority, approved the proposal for filing with the Commission on August 11, 2005.

Questions and comments on the proposed rule change may be directed to Cynthia Hoekstra, Counsel, at (215) 496-5066, or Edith Hallahan, First Vice President and Deputy General Counsel, Phlx, at (215) 496-5179.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of the proposed rule change is to adopt fees associated with the implementation of an electronic registration process through NASD’s Web CRD,9 which should, in turn, create a more efficient registration process by migrating from a manual

---

8 The period from April 10, 2006 to May 11, 2006 is intended as a phase-in period and to permit manual filing in case there is a problem via Web CRD. On May 12, 2006, the use of Web CRD, pursuant to the Exchange’s proposed rule change SR-Phlx-2006-15, becomes mandatory.

9 The Exchange has filed a proposed rule change with the Securities Exchange Commission ("SEC" or "Commission") to use the NASD’s Web CRD system as the mechanism for submitting required Forms U4, Uniform Application for Securities Industry Registration or Transfer, and Forms U5, Uniform Termination Notice for Securities Industry Registration. See SR-Phlx-2006-15.
paper-based Exchange procedure for registration to a web-based registration process that is operated by the NASD. The proposed fees are similar to those fees charged by other Self-Regulatory Organizations that use NASD’s Web CRD.\(^{10}\)

The purpose of adopting the Member Exchange and Off-Floor Trader fees is to help offset the Exchange’s increased costs relating to its regulatory oversight and enforcement programs.

Members and member and participant organizations will be instructed to pay the NASD fees associated with Web CRD as well as any Registered Representative/Member Exchange/Off-Floor Trader Registration fees directly to the NASD through Web CRD. NASD will retain the NASD fees and remit the Registered Representative/Member Exchange/Off-Floor Trader Registration fees it collects to Phlx.

Finally, additional modifications are being made to the fee schedule to group similar fees together for ease of reference.

b. **Statutory Basis**

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act\(^{11}\) in general, and furthers the objectives of Section 6(b)(4) of the Act\(^{12}\) in particular, in that it is an equitable allocation of reasonable fees among Exchange members.

---

4. **Self-Regulatory Organization's Statement on Burden on Competition**

The Phlx does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

5. **Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

6. **Extension of Time Period for Commission Action**

The Exchange does not consent to an extension of the time period for Commission action.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act\(^{13}\) and Rule 19b-4(f)(2)\(^{14}\) thereunder. Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

---

8. **Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission**

The proposed rule change is based in part on the rules of the Pacific Exchange, Inc., American Stock Exchange LLC and New York Stock Exchange, Inc.

Exchange’s fee schedule to reflect various changes to Registered Representative Registration fees in connection with the implementation of Web CRD.

Specifically, the Exchange proposes to adopt the following NASD fees that will be imposed in connection with participation in Web CRD: (a) an NASD CRD Processing Fee of $85.00; (b) an NASD Disclosure Processing Fee of $95.00; (c) an NASD Annual System Processing Fee of $30.00; and (d) fingerprinting fees which vary depending on the submission: for a first card submission the fee will be $35.00; for a second card submission the fee will be $13.00; for a third card submission the fee will be $35.00; and for a card submission where the member had prints processed through a self-regulatory organization and not the NASD, the fee will be $13.00. The NASD will process the fingerprint cards and will make the results available to the Exchange, its members, and member and participant organizations via Web CRD.

The Exchange is also proposing to assess its fees that are currently referred to on the Exchange’s fee Schedule as Registered Representative Registration fees to certain Exchange members designated on Form U4 as Member Exchange and to Off-Floor Traders. A copy of the applicable section of Appendix A of the Exchange’s schedule of fees is attached hereto as Exhibit 5.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at

9 The $55.00 initial registration fee and annual renewal fee are charged once per registered individual and is not charged per individual registration category. For example, if a person works for a member organization and requests to be registered as an ME and a Series 7 general securities registered representative, the NASD will collect only one Phlx initial registration fee of $55.00. the places specified in Item IV below. The Phlx has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. **Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

1. **Purpose**

The purpose of the proposed rule change is to adopt fees associated with the implementation of an electronic registration process through NASD’s Web CRD,\(^\text{11}\) which should, in turn, create a more efficient registration process by migrating from a manual paper-based Exchange procedure for registration to a web-based registration process that is operated by the NASD. The proposed fees are similar to those fees charged by other Self-Regulatory Organizations that use NASD’s Web CRD.\(^\text{12}\)

The purpose of adopting the Member Exchange and Off-Floor Trader fees is to help offset the Exchange’s increased costs relating to its regulatory oversight and enforcement programs.

Members and member and participant organizations will be instructed to pay the NASD fees associated with Web CRD as well as any Registered Representative/Member Exchange/Off-Floor Trader Registration fees directly to the NASD through Web CRD.

---

\(^\text{11}\) The Exchange has filed a proposed rule change with the Securities Exchange Commission ("SEC" or "Commission") to use the NASD’s Web CRD system as the mechanism for submitting required Forms U4, Uniform Application for Securities Industry Registration or Transfer, and Forms U5, Uniform Termination Notice for Securities Industry Registration. See SR-Phlx-2006-15.

NASD will retain the NASD fees and remit the Registered Representative/Member Exchange/Off-Floor Trader Registration fees it collects to Phlx.

Finally, additional modifications are being made to the fee schedule to group similar fees together for ease of reference.

2. **Statutory Basis**

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act\(^{13}\) in general, and furthers the objectives of Section 6(b)(4) of the Act\(^{14}\) in particular, in that it is an equitable allocation of reasonable fees among Exchange members.

B. **Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. **Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

III. **Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act\(^{15}\) and Rule 19b-4(f)(2)\(^{16}\) thereunder. Accordingly,

\(^{13}\) 15 U.S.C. 78f(b).

the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
