**Form 19b-4 Information**
The self-regulatory organization must provide all required information, presented in a clear and comprehensible manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

**Exhibit 1 - Notice of Proposed Rule Change**
The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3).

**Exhibit 2 - Notices, Written Comments, Transcripts, Other Communications**
Copies of notices, written comments, transcripts, other communications. If such documents cannot be filed electronically in accordance with Instruction F, they shall be filed in accordance with Instruction G.

**Exhibit 3 - Form, Report, or Questionnaire**
Copies of any form, report, or questionnaire that the self-regulatory organization proposes to use to help implement or operate the proposed rule change, or that is referred to by the proposed rule change.

**Exhibit 4 - Marked Copies**
The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

**Exhibit 5 - Proposed Rule Text**
The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

**Partial Amendment**
If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission’s permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.
1. **Text of the Proposed Rule Change**

The Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act") and Rule 19b-4 thereunder, proposes to adopt Phlx Rule 800 providing for a definition of the term common stock as used in Phlx Rules 800-899. In those rules, the term shall include any security of an issuer designated as common stock and any security of an issuer, however designated, which by statute or by its terms, is a common stock (e.g., a security which entitles the holders thereof to vote generally on matters submitted to the issuer's security holders for a vote). This definition is substantially similar to NYSEArca Equities Rule 5.1(b)(12).

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1 and the text of the proposed Phlx Rule is set forth below:

Underlining indicates additions; brackets indicate deletions

**Definitions**

**Rule 800.** [Reserved.] The terms defined herein shall have the meanings specified herein for all purposes in Rules 800-899, unless the context of a rule or regulation requires otherwise.

(a) The term “Common Stock” or “common stock” shall include any security of an issuer designated as common stock and any security of an issuer, however designated, which by statute or by its terms, is a common stock (e.g., a security which entitles the holders thereof to vote generally on matters submitted to the issuer's security holders for a vote).

2. Procedures of the Self-Regulatory Organization

Senior Management of the Exchange, pursuant to delegated authority, approved the proposal for filing with the Securities and Exchange Commission ("SEC" or "Commission") on July 26, 2007.

Questions and comments on the proposed rule change may be directed to John Dayton, Director and Counsel, at (435) 783-6415 or Edith Hallahan, Senior Vice President and Deputy General Counsel, at (215) 496-5179.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of the proposed rule change is to clarify that Phlx may list and trade, pursuant to unlisted trading privileges ("UTP"), securities of issuers that have the characteristics of common stock, even though the security is not designated as common stock. Phlx has listing standards for common stock. The listing standards set forth minimum quantitative requirements for both the issuer, Phlx Rule 803(a)(1)-(2), and the security, Phlx Rule 803(a)(3)-(4). In addition, the security’s voting rights are addressed in Phlx Rules 803(a)(5) and 812. The term common stock is typically used to refer a security issued by corporations in the United States, whose holders have a residual right to the corporation. However, at times, another name is given to this security or this type of security is not issued by a corporation.

---

3 See Phlx Rule 803(a).

4 For example, the Blackstone Group, L.P., a limited partnership, recently listed their common units representing limited partner interests on the New York Stock Exchange ("NYSE"). However, the NYSE web site page on Blackstone Group, L.P., http://www.nysse.com/about/listed/bx.html, describes the security as common stock.
Phlx is permitted to trade certain securities that are not listed on Phlx pursuant to provisions of the Act, the Rules thereunder and Phlx Rules. Section 12(f)(1)(A)(i) of the Act states that “any national securities exchange, in accordance with the requirements of this subsection and the rules hereunder, may extend unlisted trading privileges to any security that is listed and registered on a national securities exchange . . . .”\(^5\) Rule 12f-5 under the Act states that “[a] national securities exchange shall not extend unlisted trading privileges to any security unless the national securities exchange has in effect a rule or rules providing for transactions in the class or type of security to which the exchange extends unlisted trading privileges.”\(^6\) Generally, Phlx Rule 801 permits the Exchange to trade securities pursuant to UTP.\(^7\) In addition, Phlx Rules 160-189 describes the operation of Phlx’s electronic equity trading system, XLE, for transaction in, among other things, common stock and the responsibilities of XLE Participants\(^8\) using XLE. Therefore, common stock, including securities described in proposed Phlx Rule 800(a), will be eligible for trading pursuant to UTP.

Phlx believes that the proposed language reflects the fact that the term common stock is not always given to a security that has the characteristics of a common stock or that the issuer of this type of security is not a corporation. Phlx would apply the same quantitative criteria in Phlx Rule 803(a) to an issuer, and its security designated as common stock, applying to list under this definition of common stock as it would to a

corporation listing its common stock. In addition, Phlx would trade, pursuant to UTP, common stock listed at other exchanges to which this definition would apply.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act in general, and furthers the objectives of Section 6(b)(5) of the Act in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by providing an additional venue for the listing and trading, pursuant to UTP, of common stock to which this definition would apply.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Phlx does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period for Commission action.

---

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Because the foregoing proposed rule change does not:

(i) Significantly affect the protection of investors or the public interest;

(ii) Impose any significant burden on competition; and

(iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder. The Phlx requests that the Commission waive the 30-day operative delay and make the proposed rule change effective upon filing. The Phlx believes that the earlier operative date is consistent with the protection of investors and the public interest because the proposed rule change is substantially similar to NYSEArca Equity Rule 5.1(b)(12).

8. **Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission**

The proposed rule change is based on NYSEArca Equity Rule 5.1(b)(12).

9. **Exhibits**

1. Notice of proposed rule for publication in the Federal Register.

Exhibit 1

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Philadelphia Stock Exchange, Inc. Relating to the Definition of Common Stock

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")\(^1\), and Rule 19b-4\(^2\) thereunder, notice is hereby given that on ______________________ 2007, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Phlx. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. **Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Phlx, pursuant to Section 19(b)(1) of the Act\(^3\) and Rule 19b-4 thereunder,\(^4\) proposes to adopt Phlx Rule 800 providing for a definition of the term common stock as used in Phlx Rules 800-899. In those rules, the term shall include any security of an issuer designated as common stock and any security of an issuer, however designated, which by statute or by its terms, is a common stock (e.g., a security which entitles the holders thereof to vote generally on matters submitted to the issuer's security holders for a vote). This definition is substantially similar to NYSEArca Equities Rule 5.1(b)(12).

The text of the proposed Phlx Rule is set forth below:

Underlining indicates additions; brackets indicate deletions

**Definitions**

**Rule 800.** [Reserved.] The terms defined herein shall have the meanings specified herein for all purposes in Rules 800-899, unless the context of a rule or regulation requires otherwise.

(a) The term “Common Stock” or “common stock” shall include any security of an issuer designated as common stock and any security of an issuer, however designated, which by statute or by its terms, is a common stock (e.g., a security which entitles the holders thereof to vote generally on matters submitted to the issuer's security holders for a vote).

II. **Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Phlx included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Phlx has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. **Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

1. **Purpose**

The purpose of the proposed rule change is to clarify that Phlx may list and trade, pursuant to unlisted trading privileges (“UTP”), securities of issuers that have the characteristics of common stock, even though the security is not designated as common stock. Phlx has listing standards for common stock.5 The listing standards set forth minimum quantitative requirements for both the issuer, Phlx Rule 803(a)(1)-(2), and the security, Phlx Rule 803(a)(3)-(4). In addition, the security’s voting rights are addressed

in Phlx Rules 803(a)(5) and 812. The term common stock is typically used to refer a security issued by corporations in the United States, whose holders have a residual right to the corporation. However, at times, another name is given to this security or this type of security is not issued by a corporation.\footnote{For example, the Blackstone Group, L.P., a limited partnership, recently listed their common units representing limited partner interests on the New York Stock Exchange (“NYSE”). However, the NYSE web site page on Blackstone Group, L.P., \url{http://www.nyse.com/about/listed/bx.html}, describes the security as common stock.}

Phlx is permitted to trade certain securities that are not listed on Phlx pursuant to provisions of the Act, the Rules thereunder and Phlx Rules. Section 12(f)(1)(A)(i) of the Act states that “any national securities exchange, in accordance with the requirements of this subsection and the rules hereunder, may extend unlisted trading privileges to any security that is listed and registered on a national securities exchange . . . .”\footnote{15 U.S.C. 78l(f)(1)(A)(i).} Rule 12f-5 under the Act states that “[a] national securities exchange shall not extend unlisted trading privileges to any security unless the national securities exchange has in effect a rule or rules providing for transactions in the class or type of security to which the exchange extends unlisted trading privileges.”\footnote{17 CFR 240.12f-5.} Generally, Phlx Rule 801 permits the Exchange to trade securities pursuant to UTP.\footnote{Phlx Rule 801 states “[o]nly such securities as shall have been approved by the Exchange for listing or admission pursuant to unlisted trading privileges shall be dealt in on the Exchange.”} In addition, Phlx Rules 160-189 describes the operation of Phlx’s electronic equity trading system, XLE, for transaction in, among other things, common stock and the responsibilities of XLE Participants\footnote{XLE Participants are Phlx members, Phlx member organizations, their Sponsored Participants (non-members who are sponsored by Phlx member organizations) and individuals authorized by Phlx member organizations or Sponsored Participants to enter orders on XLE.} using XLE.
Therefore, common stock, including securities described in proposed Phlx Rule 800(a), will be eligible for trading pursuant to UTP.

Phlx believes that the proposed language reflects the fact that the term common stock is not always given to a security that has the characteristics of a common stock or that the issuer of this type of security is not a corporation. Phlx would apply the same quantitative criteria in Phlx Rule 803(a) to an issuer, and its security designated as common stock, applying to list under this definition of common stock as it would to a corporation listing its common stock. In addition, Phlx would trade, pursuant to UTP, common stock listed at other exchanges to which this definition would apply.

2. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act\(^\text{11}\) in general, and furthers the objectives of Section 6(b)(5) of the Act\(^\text{12}\) in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by providing an additional venue for the listing and trading, pursuant to UTP, of common stock to which this definition would apply.

B. **Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

(i) Significantly affect the protection of investors or the public interest;

(ii) Impose any significant burden on competition; and

(iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder. The Phlx requests that the Commission waive the 30-day operative delay and make the proposed rule change effective upon filing. The Phlx believes that the earlier operative date is consistent with the protection of investors and the public interest because the proposed rule change is substantially similar to NYSEArca Equity Rule 5.1(b)(12).
