RE: REMOVAL OF OPVIEW SCREENS

Effective the Monday following May, 2008 expiration (Monday, May 19, 2008), PHLX will no longer support the OpView application located at all specialists posts.

All trading floor OpView terminals and the supporting hardware system will be retired at that time.

If you should have any questions concerning the above, please call the System Support Desk at 215-496-1571 or me at extension 215-496-5205.
