

SERIES ADJUSTMENT 1231-08

June 24, 2008

ANGLOGOLD ASHANTI LIMITED (AU) - Position Consolidation

On Tuesday, June 24, 2008, the deliverable of adjusted Anglogold Ashanti Ltd. options (AHZ/YHY) were further adjusted to no longer call for the delivery of the AU Rights due to the expiration of these rights on Monday, June 23, 2008. The deliverable for the aforementioned contracts NOW is 100 AU Shares, which is identical to AU/YVA options.

The Exchange has determined to consolidate all outstanding AHZ & YHY option positions, since the deliverables are identical; therefore eliminating option trading in the symbols AHZ & YHY.

GTC Order Cancellation:

Customers should be advised that all Good-til-Cancelled (GTC) orders not on AUTOM must be cancelled and re-entered prior to the ex-distribution or effective date. GTC AUTOM orders will be deleted by PHLX Service Desk/AUTOM personnel.
