The purpose of this Market Information Circular (MIC) is to announce the further expansion of the penny pilot program in the options industry.

**Subject: Options - Penny Pilot Expansion**

On Monday, November 2, 2009, the ISE, in conjunction with the options industry and pending SEC approval, will expand the list of eligible securities in the penny pilot program and begin quoting and trading an additional 75 options classes in penny increments.

As part of the Penny Trading Pilot a select number of options may trade in 1-cent increments when priced below \$3.00. Options priced \$3.00 and above will trade in 5-cent increments. Please note that QQQQ will still be the only security permitted in 1-cent increments at all levels.

The new securities will be:
