The purpose of this Market Information Circular (MIC) is to announce the further expansion of the penny pilot program in the options industry.

Subject: Options - Penny Pilot Expansion

On Monday, February 1, 2010, the ISE, in conjunction with the options industry, will expand the list of eligible securities in the penny pilot program and begin quoting and trading an additional 75 options classes in penny increments.

As part of the Penny Trading Pilot a select number of options may trade in 1-cent increments when priced below $3.00. Options priced $3.00 and above will trade in 5-cent increments.

The new securities will be:

This list is also available on the ISE website:

Securities trading in 1-cent increments

Pending regulatory approval, on February 1, 2010, ISE will begin trading all series in SPY (SPDR S&P 500 ETF) and IWM (iShares Russell 2000 Index Fund) in pennies, regardless of premium value. This will be in addition to QQQQ (PowerShares QQQ), which is already permitted in 1-cent increments at all levels.
