Subject: Bank of America Minimum Return Equity Appreciation Growth Linked Securities

Information on the Notes

On October 20, 2008, the International Securities Exchange (“ISE”) will begin trading Bank of America Minimum Return Equity Appreciation Growth Linked Securities “Basket EAGLES,” due November 24, 2010, linked to the CBOE China Index. The notes are unsecured senior debt.

Priced at $1000 per note, the notes do not pay interest. At maturity, one will receive the principal amount plus a supplemental redemption amount, which will be at least 5.00% of the principal amount of the notes, or $50 per $1000 principal amount of a total payment at maturity of at least $1,050.

The supplemental redemption amount will be based primarily upon the performance of the CBOE China Index, over the term of the notes. The notes will mature on November 24, 2010. The notes are issued in minimum denominations of $1000 and whole multiples of $1000.

Since all payments, which may be due to holders of BOR.C, are the sole responsibility of the Issuer, it is the credit of Bank of America that stands behind BOR.C.

The notes are issued in minimum denominations of $1000 and whole multiples of $1000.

Information concerning taxation may be found in the Prospectus.

The Trustee for this security is The Bank of New York.

Trading in the shares on ISE is on a UTP basis and is subject to ISE equity trading rules. The shares will trade from 9:00 a.m. until 4:00 p.m. Eastern Time. Equity Electronic Access Members (“Equity EAMs”) trading the shares during the Pre-Market Session are exposed to the risk of the lack of the calculation or dissemination of underlying index value or intraday indicative value (“IIV”). For certain derivative securities products, an updated underlying index value or IIV may not be calculated or publicly disseminated in the Pre-Market hours. Since the underlying index value and IIV are not calculated or widely disseminated during Pre-Market hours, an investor who is unable to calculate
implied values for certain derivative securities products during Pre-Market hours may be
at a disadvantage to market professionals.

Equity EAMs also should review NASD Notice to Members 03-71 for guidance on
trading these products. The Notice reminds members of their obligations to: (1) conduct
adequate due diligence to understand the features of the product; (2) perform a
reasonable-basis suitability analysis; (3) perform customer-specific suitability analysis in
connection with any recommended transactions; (4) provide a balanced disclosure of
both the risks and rewards associated with the particular product, especially when selling
to retail investors; (5) implement appropriate internal controls; and (6) train registered
persons regarding the features, risk and suitability of these products.

This Regulatory Information Circular is not a statutory Prospectus. Equity EAMs
should consult the Trust’s Registration Statement, SAI, Prospectus and the
Fund’s website for relevant information.
