Subject: SPDR Wells Fargo Preferred Stock ETF

Background Information on the Fund

As more fully explained in the Registration Statement (Nos. 811-08839 and 333-57793) for the Trust, the Trust is an open-end management investment company registered under the Investment Company Act of 1940, as amended (“1940 Act”).

The SPDR Wells Fargo Preferred Stock ETF investment objective seeks to replicate as closely as possible, before fees and expenses, the total return of the Wells Fargo Hybrid and Preferred Securities Aggregate Index (the "Underlying Index").

SSgA Funds Management, Inc. is the investment adviser to the Fund. State Street Global Markets, LLC is the distributor for the Fund ("Distributor"). State Street Bank and Trust Company is the custodian, administrator, fund accounting agent and transfer agent for the Fund.

As described more fully in the Trust’s prospectus (“Prospectus”) and Statement of Additional Information (“SAI”), the Fund will issue and redeem Shares on a continuous basis, at its net asset value ("NAV"), only in large blocks of 50,000 Shares (each, a “Creation Unit”). Creation Units will be issued and redeemed generally in exchange for cash or in kind securities, as the case may be. Except when aggregated in Creation Units, the Shares are not redeemable securities of the Fund.

Income dividend distributions, if any, are generally distributed to shareholders quarterly, but may vary significantly from quarter to quarter. Net capital gains are distributed at least annually. Dividends may be declared and paid more frequently to improve Index tracking or to comply with the distribution requirements of the Internal Revenue Code.

The Depository Trust Company (“DTC”) serves as securities depository for the Shares. Shares of the Fund are represented by securities registered in the name of DTC or its nominee, Cede & Co., and deposited with, or on behalf of, DTC. Except in the limited circumstance provided below, certificates will not be issued for Shares.

The NAV for the Funds will be calculated and disseminated daily after 4:00 pm ET each trading day. NAV is calculated by dividing the value of the net assets of a Fund (i.e., the total value of its assets less all liabilities) by the number of Shares outstanding, rounded
to the nearest cent. NAV will be available from the Distributor and will also available to National Securities Clearing Corporation (“NSCC”) participants through data made available from NSCC.

The Trust's registration statement describes the various fees and expenses for the Fund’s Shares. For a more complete description of the Fund and the underlying index, visit www.SPDRETFS.com.

**Principal Risks**

Interested persons are referred to the Prospectus for a description of risks associated with an investment in the Shares. These risks include the risk that the Fund’s return may not match the return of its index for a number of reasons including the incursion by the Fund of operating expenses and costs not applicable to its index. In addition, as noted in the Prospectus, the Shares may trade at market prices that may differ from their NAV. The NAV of the Shares will fluctuate with changes in the market value of the Fund’s holdings. The market prices of the Shares will fluctuate in accordance with changes in NAV as well as the supply and demand for the Shares.

**Exchange Rules Applicable to Trading in the Shares**

The Shares are considered equity securities, thus rendering trading in the Shares subject to the Exchange's existing rules governing the trading of equity securities.

**Trading Hours**

Trading in the Shares on ISE is on a UTP basis and is subject to ISE equity trading rules. The Shares will trade from 8:00 a.m. until 8:00 p.m. Eastern Time. Equity Electronic Assess Members (“Equity EAMs”) trading the Shares during the Extended Market Sessions are exposed to the risk of the lack of the calculation or dissemination of underlying index value or intraday indicative value (“IIV”). For certain derivative securities products, an updated underlying index value or IIV may not be calculated or publicly disseminated in the Extended Market hours. Since the underlying index value and IIV are not calculated or widely disseminated during Extended Market hours, an investor who is unable to calculate implied values for certain derivative securities products during Extended Market hours may be at a disadvantage to market professionals.

**Trading Halts**

ISE will halt trading in the Shares in accordance with ISE Rule 2101(a)(2)(iii). The grounds for a halt under this Rule include a halt by the primary market because it stops trading the Shares and/or a halt because dissemination of the IIV or applicable currency spot price has ceased, or a halt for other regulatory reasons. In addition, ISE will stop trading the Shares if the primary market de-lists the Shares.

**Delivery of a Prospectus**

Pursuant to federal securities laws, investors purchasing Shares must receive a prospectus prior to or concurrently with the confirmation of a transaction. Investors
purchasing Shares directly from the Fund (by delivery of the Deposit Amount) must also receive a prospectus.

Prospectuses may be obtained through the Distributor or on the Fund’s website. The Prospectus does not contain all of the information set forth in the registration statement (including the exhibits to the registration statement), parts of which have been omitted in accordance with the rules and regulations of the SEC. For further information about the Fund, please refer to the Trust’s registration statement.

Exemptive, Interpretive and No-Action Relief Under Federal Securities Regulations

The Commission has issued letters dated October 24, 2006, November 21, 2005 and August 17, 2001 (together, the “No-Action Letters”) granting exemptive, interpretive and no-action relief from certain provisions of and rules under the Securities Exchange Act of 1934 for exchange-traded funds listed and traded on a registered national securities exchange that meet certain criteria. A description of the relief granted in the No-Action Letters follows.

Regulation M Exemptions

Generally, Rules 101 and 102 of Regulation M prohibit any “distribution participant” and its “affiliated purchasers” from bidding for, purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of a distribution until after the applicable restricted period, except as specifically permitted in Regulation M. The provisions of the Rules apply to underwriters, prospective underwriters, brokers, dealers, and other persons who have agreed to participate or are participating in a distribution of securities.

The Commission issued a No-Action Letter by which persons participating in a distribution of shares of a fund may engage in secondary market transactions in such shares during their participation in such a distribution, despite the requirements of from Rule 101 under Regulation M. In addition, the SEC has permitted persons who may be deemed to be participating in the distribution of shares of a fund (i) to purchase securities for the purpose of purchasing creation unit aggregations of fund shares and (ii) to tender securities for redemption in Creation Unit Aggregations. Further, the Commission has clarified that the tender of fund shares to the Fund for redemption does not constitute a bid for or purchase of any of the Funds’ securities during the restricted period of Rule 101. The Commission has issued a No-Action Letter to paragraph (e) of Rule 102 under Regulation M which allow the redemption of fund shares in creation unit aggregations during the continuous offering of shares.

Customer Confirmations for Creation or Redemption of Fund Shares (SEC Rule 10b-10)

Broker–dealers who handle purchases or redemptions of Fund shares in Creation Units for customers will be permitted to provide such customers with a statement of the number of Creation Unit Aggregations created or redeemed without providing a statement of the identity, number and price of shares of the individual securities tendered to the Fund for purposes of purchasing creation unit aggregations (“Deposit Securities”) or the identity, number and price of shares to be delivered by the Trust to the redeeming holder (“Redemption Securities”). The composition of the securities
required to be tendered to the Fund for creation purposes and of the securities to be
delivered on redemption will be disseminated each business day and will be applicable
to requests for creations or redemption, as the case may be, on that day. This
exemptive relief under Rule 10b-10 with respect to creations and redemptions is
subject to the following conditions:

1) Confirmations to customers engaging in creations or redemptions must state that
all information required by Rule 10b-10 will be provided upon request;
2) Any such request by a customer for information required by Rule 10b-10 will be
filed in a timely manner, in accordance with Rule 10b-10(c);
3) Except for the identity, number and price of shares of the component securities of
the Deposit Securities and Redemption Securities, as described above,
confirmations to customers must disclose all other information required by Rule
10b-10(a).

SEC Rule 14e-5

The Commission has permitted any person acting as a dealer-manager of a tender offer
for a component security of fund (1) to redeem fund shares in creation unit aggregations
from the issuer that may include a security subject to such tender offer and (2) to
purchase fund shares during such tender offer. In addition, a No-Action has been issued
under Rule 14e-5 states that if a broker-dealer acting as a dealer-manager of a tender
offer for a security of the Fund purchases or arranges to purchase such securities in the
secondary market for the purpose of tendering such securities to purchase one or more
creation unit aggregations of shares, it must be made in conformance with the following:

i. such bids or purchases are effected in the ordinary course of business, in
connection with a basket of 20 or more securities in which any security that is the
subject of a distribution, or any reference security, does not comprise more than
5% of the value of the basket purchased; or
ii. purchases are effected as adjustments to such basket in the ordinary course of
business as a result of a change in the composition of the underlying index; and
iii. such bids or purchases are not effected for the purpose of facilitating such
tender offer.

Section 11(d)(1); SEC Rules 11d1-1 and 11d1-2

Section 11(d)(1) of the Act generally prohibits a person who is both a broker and a
dean from effecting any transaction in which the broker-dealer extends credit to a
customer on any security which was part of a new issue in the distribution of which he
participated as a member of a selling syndicate or group within thirty days prior to such
transaction. The Commission has clarified that Section 11(d)(1) does not apply to
broker-dealers that are not authorized participants (and, therefore, do not create creation
unit aggregations) that engage in both proprietary and customer transactions in shares
of a fund in the secondary market, and for broker-dealer authorized participants that
engage in creations of creation unit aggregations. This relief is subject to specific
conditions, including the condition that such broker-dealer (whether or not an authorized
participant) does not, directly or indirectly, receive from the fund complex any payment,
compensation or other economic incentive to promote or sell the shares of a fund to
persons outside the fund complex, other than non-cash compensation permitted under
NASD Rule 2830 (I)(5)(A), (B) or (C). See letter dated November 22, 2005 from Brian A Bussey, Assistant Chief Counsel, Division of Market Regulation, to Barclays Global Investors, N.A., dated November 22, 2005. The Commission has issued a No-Action Letter under Section 11(d)(1) of the Act states that broker-dealers may treat shares of a fund, for purposes of Rule 11d1-2, as "securities issued by a registered open-end investment company as defined in the Investment Company Act" and thereby extend credit or maintain or arrange for the extension or maintenance of credit on shares that have been owned by the persons to whom credit is provided for more than 30 days, in reliance on the exemption contained in the rule.

**SEC Rule 15c1-5 and 15c1-6**

The SEC has taken a no-action position with respect to Rule15c1-5 and Rule15c1-6 as to the required disclosure of control by a broker or dealer with respect to creations and redemptions of Fund shares and secondary market transactions therein.
