

NASDAQ OMX Global Subscriber Agreement Overview

Distributors/Vendors are required to qualify each end-user Subscriber that receives NASDAQ OMX data via a controlled product, according to:

- Section 8 of the [NASDAQ OMX Global Data Agreement](#) - Terms and Conditions
- Section 7 of the [NASDAQ Vendor Agreement](#)

Distributor will administer a NASDAQ OMX Global Subscriber Agreement **or equivalent** to each end-user subscriber firm or individual. NASDAQ OMX will not provide this agreement or equivalent to a Distributor's customer. Distributors must have the ability to provide NASDAQ OMX with a report detailing the name of each individual Subscriber included under each account and each Subscriber's respective status: Professional or Non-Professional.

Administration Options

Distributors have four options administer the NASDAQ OMX Global Subscriber Agreement **or equivalent**.

ADMINISTRATION OPTIONS	
1. Distributor Indemnification	Distributor administers its own agreement to Subscribers as an equivalent to the NASDAQ OMX Global Subscriber Agreement.
2. Incorporation by Reference:	Distributor adds specific language into the Distributor's own agreement with the Subscriber. Submission of a sample copy of the Distributor's Agreement is required.
3. On-Line Subscriber Agreement	Distributor offers the agreement via the internet. Submission of a sample copy of the online version of the Agreement is required.
4. Hard Copy / Paper Subscriber Agreement	Distributor provides Subscriber with a paper copy of the NASDAQ OMX Global Subscriber Agreement. Distributor retains executed originals, but does not submit Agreements to NASDAQ OMX.

NASDAQ OMX reserves the right to modify these requirements upon notice to the Distributor.

For purposes of these instructions and the NASDAQ OMX Global Subscriber Agreement, "Distributor" shall also mean "Vendor".

NASDAQ OMX Global Subscriber Agreement Non-Professional Definition

Non-Professional Guidance

NASDAQ OMX provides guidance on the definitions and policies related to the Non-Professional status of Subscribers that are recipients of U.S. Information.

Non-Professional Subscribers

The reduced Non-Professional rates only apply to **individuals** signing the NASDAQ OMX Global Subscriber Agreement and, in general, **may not** be applied to **organizations** executing the NASDAQ OMX Global Subscriber Agreement.

To qualify for the Non-Professional rate, an individual Subscriber must be able to answer "NO" to all of the following questions. If the Subscriber can answer "YES" to any of these questions, NASDAQ OMX considers the Subscriber to be Professional and ineligible for the Non-Professional rate.

Question	Discussion
Is the NASDAQ OMX Global Subscriber Agreement signed in the name of a business or commercial entity?	Because a Non-Professional Subscriber must be a natural person, the NASDAQ OMX Global Subscriber Agreement must be signed by an individual. If the NASDAQ OMX Global Subscriber Agreement is signed in the name of a business or commercial entity, it is considered Professional use.
Is the Subscriber a subcontractor or independent contractor?	Because subcontractors and independent contractors are deemed to be extensions of the firm rather than natural persons, they are considered Professionals. If the Subscriber is a subcontractor or independent contractor or has a business relationship with the firm, it is considered Professional use.
Is the Subscriber a securities professional?	If the Subscriber is: • registered with any state, federal or international securities agency or self-regulatory body. • engaged as an Investment Advisor. • employed by an organization that is exempt from U.S. securities laws that would otherwise require registration? Any use by a securities professional is considered Professional use.
Is the Subscriber using or planning to use NASDAQ OMX U.S. data for any reason other than personal use?	Any use of data for business, professional or other commercial purpose is <u>not</u> compatible with Non-Professional status, even if the commercial use is on behalf of an organization that is not in the securities industry.

Non-Commercial Organizational Use:

NASDAQ OMX's definition of Non-Professional Subscriber permits individuals associated with certain non-commercial organizations (i.e., family investment trusts, investment clubs, etc.) to access NASDAQ OMX U.S. market data at Non-Professional rates. Please note that the organization itself cannot be considered a Non-Professional Subscriber, nor can any staff paid to support the organization's activities (i.e., attorneys, accountants, administrative staff, etc.)

NASDAQ OMX's definition also permits Individual Subscribers associated with other organizations to access Non-Professional rates if the organization is established exclusively to manage accounts of the individual or the individual's immediate family. In addition, non-commercial organizations solely owned by an individual and members of their immediate family (who themselves are Non-Professionals) utilizing the market data solely for their own personal investing may access data at Non-Professional rates.

To obtain the reduced Non-Professional rates for qualifying Subscribers associated with non-commercial organizations, distributors are required to administer and maintain a separate NASDAQ OMX Global Subscriber Agreement for each **individual** Subscriber accessing NASDAQ OMX U.S. data.

Subcontractors / Independent Contractors:

NASDAQ OMX's definition of Non-Professional Subscriber requires that the Non-Professional Subscriber is a natural person. Subcontractors and independent contractors signing in their capacity as a subcontractor or independent contractor of the contracting firm are not natural persons. Individuals maintaining an employment, business or commercial relationship are considered extensions of the organization. Examples of organizational use include, but are not limited to, subcontractors, independent contractors, profit sharing partners, commission sharing partners and/or any use involving an employment relationship.

Trading Authorization:

NASDAQ OMX's definition of Non-Professional Subscriber requires Distributors to separately determine the Professional or Non-Professional status of each individual accessing NASDAQ OMX U.S. market data. Distributors must separately report each Subscriber accessing the account (unless the account is shared by immediate family members, such as husband and wife). In some cases, Distributors provide access to the account to a person designated by the Subscriber, via a Trading Authorization Form or similar. For each person designated by the Subscriber, the Distributor must obtain a NASDAQ OMX Global Subscriber Agreement and report such persons as Professionals, if applicable. Please note that the account itself cannot be considered a Non-Professional Subscriber, nor can any staff paid to support the account activities be considered a Non-Professional Subscriber (i.e., registered investment advisors, attorneys, accountants, etc.)

Examples of Non-Professional and Professional Statuses: The chart below provides specific examples of Professional and Non-Professional usage:

Securities Professionals	Name on Subscriber Agreement	Data Usage	Status
Securities Professional (employee/contractor /subcontractor)	Organization or Individual	Business purposes or personal reasons	Professional
Non-Securities Professionals	Name on Subscriber Agreement	Data Usage	Status
Non-securities Professional (employee/contractor /subcontractor)	Organization	Business purposes or personal reasons	Professional
Non-securities Professional associated with a Non-commercial organization	Individual	Business purposes	Professional
Non-securities Professional	Individual	Personal reasons	Non-Professional
Non-securities professional associated with a non-commercial organization	Individual	Personal reasons	Non-Professional

Distributor Indemnification

Section 8 of the [NASDAQ OMX Global Data Agreement - Terms and Conditions](#), in lieu of administering the NASDAQ OMX Global Subscriber Agreement to each Subscriber or end-user customer, Distributors may choose to indemnify NASDAQ OMX.

Distributors that opt for indemnification are required to embed certain basic protections and rights in its own legally enforceable customer agreements that ensure NASDAQ OMX is protected to the same extent as if the Distributor had administered the NASDAQ OMX Global Subscriber Agreement to each Subscriber. The Distributor may then provide the Information immediately after administering Distributor's own account agreement to the Subscriber.

Distributors that opt for indemnification must follow these guidelines:

1. Prior to distributing the Information, Distributors will have in place a legally valid and enforceable contract ("Distributors Account Agreement") with the Subscriber that (i) governs the accounts held by Subscriber with the Distributor through which the Subscriber is entitled to access the Information, including any limitations on a Subscriber's right to redistribute the Information, and (ii) protects NASDAQ OMX and the Indemnified Parties to the same extent as if Distributor had presented and the Subscriber had signed the NASDAQ OMX Global Subscriber Agreement.
2. In terms of recordkeeping and retention, Distributor Account Agreements shall be subject to applicable NASDAQ OMX Requirements. In the event of a dispute with Subscriber(s) relating to the Information, Distributor agrees to provide NASDAQ OMX with copies of the relevant Distributor Account Agreements.
3. Distributor shall indemnify NASDAQ OMX against any assertion of claims or losses relating to the Information made by a Subscriber (as defined in Section 12) who receives the Information from Distributor (or any person relying upon the Information received by such a Subscriber) arising from Distributor's election to distribute Information to such Subscriber.

NASDAQ OMX Global Subscriber Agreement Instructions – Hard Copy

Hard Copy / Paper Version

Distributors are permitted to offer a hard copy version of the NASDAQ OMX Global Subscriber Agreement to each Subscriber. NASDAQ OMX will accept faxed and scanned copies of the agreement as legal documents.

Distributors that opt for the hard copy NASDAQ OMX Global Subscriber Agreement should follow these instructions:

1. Copy the text of the [NASDAQ OMX Global Subscriber Agreement](#) onto company letterhead. In the Signature Section, ensure that the word "Distributor" is replaced with your company's name.
2. Print the [NASDAQ OMX Global Subscriber Agreement](#) on your organization's letterhead for your records.
3. Once the NASDAQ OMX Global Subscriber Agreement is signed by both the Subscriber and the Distributor, and the Subscriber has been provided an executed copy of the full NASDAQ OMX Global Subscriber Agreement, NASDAQ OMX considers the Subscriber to be authorized to receive NASDAQ OMX data sets as described in Appendix 1 of the [NASDAQ OMX Global Subscriber Agreement](#).

Online Version

Distributors are permitted to offer an online version of the NASDAQ OMX Global Subscriber

Agreement to each Subscriber, but the [NASDAQ OMX Global Data Agreement](#) specifies that if a NASDAQ OMX Global Subscriber Agreement is **not** administered properly, Distributor is to indemnify NASDAQ OMX in the event of a claim.

Distributors that opt for the **online version** NASDAQ OMX Global Subscriber Agreement should follow these instructions:

1. Copy the text of the [NASDAQ OMX Online Global Subscriber Agreement](#), including the Summary Section.
2. Complete the necessary programming to ensure that the **required data-entry fields for the Signature Section** are functioning properly and that the Distributor is capturing data as required by NASDAQ OMX. Print the NASDAQ OMX Global Subscriber Agreement exactly as it will be displayed on the Distributor's website for your records.
3. Provide each Subscriber with the ability to print a full copy of [NASDAQ OMX Global Subscriber Agreement](#).

Once the NASDAQ OMX Global Subscriber Agreement is signed by both the Subscriber and the Distributor, and the Subscriber has been provided a copy of the full NASDAQ OMX Global Subscriber Agreement, NASDAQ OMX considers the Subscriber to be authorized to receive NASDAQ OMX data sets as described in Appendix 1 of the [NASDAQ OMX Global Subscriber Agreement](#).

NASDAQ OMX Global Subscriber Agreement Instructions – Incorporation

Incorporation by Reference Version

In lieu of administering the NASDAQ OMX Global Subscriber Agreement to each Subscriber, Distributors may choose to add specific language protecting NASDAQ OMX to their own legally valid and enforceable customer contract ("Distributor Account Agreement"). Thus, by signing the Distributor Account Agreement, Subscribers also assent to the standard NASDAQ OMX terms.

Distributors that opt for Incorporation By Reference must follow these instructions

1. Include the following language prominently on the signature page of the Distributor Account Agreement. Prior to including this language in the Distributor Account Agreement, in the above blank, insert the term(s) in the Distributor Account Agreement that references the person receiving the information (i.e., customer, account holder, subscriber, member, etc.).

By executing this Agreement, _____, (known as "Subscriber" in the NASDAQ OMX Global Subscriber Agreement) agrees:

- a. that it has read and agrees to be bound by the NASDAQ OMX Global Subscriber Agreement, a copy of which is attached hereto;
- b. that the Distributor/Vendor is not an agent of NASDAQ OMX and is not authorized to add to or delete from the NASDAQ OMX Global Subscriber Agreement and is not authorized to modify any provision of the NASDAQ OMX Global Subscriber Agreement; and
- c. that no provision has been added to or deleted from the NASDAQ OMX Global Subscriber Agreement and that no modifications have been made to it. Both the Subscriber and the person executing on behalf of the Subscriber warrant that the Subscriber is legally able to undertake the obligations set forth in and the signatory is duly authorized to bind the Subscriber to the NASDAQ OMX Global Subscriber Agreement.

2. Provide each Subscriber with a copy of the full [NASDAQ OMX Global Subscriber Agreement](#).
3. Once the Distributor Account Agreement is signed by both the Subscriber and the Distributor, and the Subscriber has been provided a copy of the full NASDAQ OMX Global Subscriber Agreement, NASDAQ OMX considers the Subscriber to be authorized to receive NASDAQ OMX data sets as described in Appendix 1 of the [NASDAQ OMX Global Subscriber Agreement](#).

Please note that NASDAQ OMX does not require Distributors to submit copies of the executed Distributor Account Agreements.

a. Non-Professional or Private Subscriber — For Non-Professional or Private Subscriber, the Information is licensed only for personal use. By representing to Distributor that Subscriber is a Non-Professional or Private Subscriber, or by continuing to receive the Information at a Non-Professional or Private Subscriber rate, Subscriber is affirming to Distributor and to NASDAQ OMX that Subscriber meets the definition of Non-Professional or Business Subscriber as set forth in [Section 12](#) of this Agreement. A Non-Professional or Private Subscriber shall comply promptly with any reasonable request from NASDAQ OMX for information regarding the Non-Professional Subscriber's receipt, processing, display and redistribution of the Information.

b. Professional or Business Subscriber — For Professional or Business Subscriber, the Information is licensed for the internal business use and/or personal use of the Professional or Business Subscriber. Professional or Business Subscribers may, on a non-continuous basis, furnish limited amounts of the Information to customers in written advertisements, correspondence or other literature or during voice telephonic conversations not entailing computerized voice, automated information inquiry systems or similar technologies. Upon request, Professional or Business Subscribers shall make its premises available to NASDAQ OMX for physical inspection of Distributor's Service and of Professional or Business Subscriber's use of the Information (including review of any records regarding use of or access to the Information and the number and locations of all devices that receive Information), all at reasonable times, upon reasonable notice, to ensure compliance with this Agreement.

2. PROPRIETARY DATA. NASDAQ OMX grants to Subscriber a nonexclusive, non-transferable license during the term of the Agreement to receive and use the Information transmitted to it by Distributor and thereafter, to use such Information as permitted under the terms of this Agreement and/or the NASDAQ OMX Requirements. Subscriber acknowledges and agrees that NASDAQ OMX has proprietary rights to the Information that originates on or derives from markets regulated or operated by NASDAQ OMX, and compilation or other rights to Information gathered from other sources. Subscriber further acknowledges and agrees that NASDAQ OMX's third-party information providers have exclusive proprietary rights to their respective Information. In the event of any misappropriation or misuse by Subscriber or anyone who accesses the Information through Subscriber, NASDAQ OMX or its third-party information providers shall have the right to obtain injunctive relief for its respective materials. Subscriber will attribute source as appropriate under all the circumstances.

3. PAYMENT. Subscriber shall assume full and complete responsibility for the payment of any taxes, charges or assessments imposed on Subscriber or NASDAQ OMX (except for federal, state or local income taxes, if any, imposed on NASDAQ OMX) by any foreign or domestic national, state, provincial or local governmental bodies, or subdivisions thereof, and any penalties or interest relating to the provision of the Information to Subscriber. Interest shall be due from the date of the invoice to the time that the amount(s) that are due have been paid. To the extent permitted by applicable law, Subscriber acknowledges and agrees that the termination of the Distributor's Service for failure to make payments shall not be considered an improper limitation of access by NASDAQ OMX. For Professional or Business Subscribers, if any payment is due directly to NASDAQ OMX under this Agreement, payment in full is due NASDAQ OMX in immediately available funds, in the currency specified by NASDAQ OMX by a check to NASDAQ OMX, by electronic funds

transfer to an institution of NASDAQ OMX's choosing or by any other form of payment as specified by NASDAQ OMX in Appendix 1, within fifteen (15) days of the date of an invoice, whether or not use is made of, or access is made to, the Information.

4. SYSTEM. Subscriber acknowledges that NASDAQ OMX, in its sole discretion, may from time-to-time make modifications to its system or the Information. Such modifications may require corresponding changes to be made in Distributor's Service. Changes or the failure to make timely changes by Distributor or Subscriber may sever or affect Subscriber's access to or use of the Information. NASDAQ OMX shall not be responsible for such effects. NASDAQ OMX does not endorse or approve any equipment, Distributor or Distributor's Service.

5. EXCLUSIVE REMEDY. NASDAQ OMX shall endeavor to offer the Information as promptly and accurately as is reasonably practicable. In the event that the Information is not available as a result of failure by NASDAQ OMX to perform its obligations under this Agreement, NASDAQ OMX will endeavor to correct any such failure. If the Information is not available, is delayed, is interrupted, is incomplete, is not accurate or is otherwise materially affected for a continuous period of four (4) hours or more during the time that NASDAQ OMX regularly transmits the Information due to the fault of NASDAQ OMX (except for a reason permitted in this Agreement or in NASDAQ OMX's agreement with the Distributor), Subscriber's or any other Person's exclusive remedy against NASDAQ OMX shall be:

- a. If Subscriber or any other Person continues to receive the Information or any other data and/or information offered by NASDAQ OMX, a prorated month's credit of any monies due, if any, for the affected Information directly to NASDAQ OMX from Subscriber or, if applicable, from said other Person, for the period at issue; or
- b. If Subscriber or any other Person no longer receives either the Information or any other data and/or information offered by NASDAQ OMX, a prorated month's refund of any monies due for the affected Information directly to NASDAQ OMX from Subscriber or, if applicable, from said other Person, for the period at issue.

Such credit or refund shall, if applicable, be requested in writing to NASDAQ OMX with all pertinent details. Beyond the warranties stated in this section, there are no other warranties of any kind — express, implied, statutory (including without limitation, timeliness, truthfulness, sequence, completeness, accuracy, freedom from interruption), implied warranties arising from trade usage, course of dealing, course of performance or the implied warranties of merchantability or fitness for a particular use or purpose.

6. LIMITATION OF LIABILITY.

- a. Except as may otherwise be set forth herein, NASDAQ OMX shall not be liable to Subscriber, its Distributor or any other Person for indirect, special, punitive, consequential or incidental loss or damage (including, but not limited to, trading losses, loss of anticipated profits, loss by reason of shutdown in operation or increased expenses of operation, cost of cover or other indirect loss or damage) of any nature arising from any cause whatsoever, even if NASDAQ OMX has been advised of the possibility of such damages.
- b. NASDAQ OMX shall not be liable to Subscriber or any other Person for any unavailability, interruption, delay, incompleteness or inaccuracy of the Information that lasts less than four (4) continuous hours during the time that NASDAQ OMX regularly transmits the Information or if the Information is materially affected for less than four (4) continuous hours during the time that NASDAQ OMX regularly transmits the Information.
- c. If NASDAQ OMX is for any reason held liable to Subscriber or to any other Person, whether in tort or in contract, the liability of NASDAQ OMX within a single year of the Agreement (one year from the effective date of the Agreement) is limited to an amount of Subscriber's damages that are actually incurred by Subscriber in reasonable reliance (combined with the total of all claims or losses of Subscriber's Distributor and any other Person claiming through, on behalf of or as harmed by Subscriber) and which amount does not exceed the lesser of:
 - i. For Subscriber or any other person that continues to receive the Information or any other data and/or Information offered by NASDAQ OMX, a prorated month's credit of any monies due directly to NASDAQ OMX from Subscriber or, if applicable, from any other Person, for the Information at issue during the period at issue, or if Subscriber or any other Person no longer receives either the Information or any other data and/or information offered by NASDAQ OMX, a refund of any monies due directly to NASDAQ OMX from Subscriber or, if applicable, from any other Person, for the Information at issue during the period at issue; or

ii. \$500.

d. This section shall not relieve NASDAQ OMX, Subscriber or any other Person from liability for damages that result from their own gross negligence or willful tortious misconduct or from personal injury or wrongful death claims.

e. Subscriber and NASDAQ OMX understand and agree that the terms of this section reflect a reasonable allocation of risk and limitation of liability.

7. DISCLAIMERS OF WARRANTIES. NASDAQ OMX and its third-party information providers make no warranties of any kind — express, implied or statutory (including without limitation, timeliness, truthfulness, sequence, completeness, accuracy, freedom from interruption), any implied warranties arising from trade usage, course of dealing, course of performance or the implied warranties of merchantability or fitness for a particular use or purpose or noninfringement.

8. THIRD-PARTY INFORMATION PROVIDERS' LIMITATION OF LIABILITY. NASDAQ OMX's third-party information providers shall have no liability for any damages for the accuracy of or for delays or omissions in any of the Information provided by them, whether direct or indirect, lost profits, special or consequential damages of the Subscriber or any other Person seeking relief through Subscriber, even if the third-party information providers have been advised of the possibility of such damages. In no event will the liability of the third-party information providers or their affiliates to Subscriber or any other Person seeking relief through Subscriber pursuant to any cause of action, whether in contract, tort or otherwise, exceed the fee paid by Subscriber or any other Person seeking relief through Subscriber, as applicable.

9. CLAIMS AND LOSSES. Subscriber will indemnify NASDAQ OMX and hold NASDAQ OMX and its employees, officers, directors and other agents harmless from any and all Claims or Losses imposed on, incurred by or asserted as a result of or relating to: (a) any noncompliance by Subscriber with the terms and conditions hereof; (b) any third-party actions related to Subscriber's receipt and use of the Information, whether authorized or unauthorized under the Agreement. Each party warrants and represents and will indemnify and hold harmless (and in every case, NASDAQ OMX shall be permitted to solely defend and settle) another party (including NASDAQ OMX) and their officers, directors, employees and other agents, against any Claims or Losses arising from, involving or relating to a claim of infringement or other violation of an intellectual property right by the indemnifying party, its actions or omissions, equipment or other property. This right is conditioned on the indemnified party giving prompt written notice to the indemnifying party (as does not prejudice the defense) of the Claims or Losses and providing cooperation in the defense of the Claims or Losses (without waiver of attorney-client, work-product or other legal privilege, or disclosure of information legally required to be kept confidential).

10. TERMINATION. Subscriber acknowledges that NASDAQ OMX, when required to do so in fulfillment of statutory obligations, may by notice to Distributor unilaterally limit or terminate the right of any or all Persons to receive or use the Information and that Distributor will immediately comply with any such notice and will terminate or limit the furnishing of the Information and confirm such compliance by notice to NASDAQ OMX. Any affected Person will have available to it such procedural protections as are provided by the Act and applicable rules thereunder. In addition to terminations permitted under the Distributor's agreement, this Agreement may be terminated by Subscriber with thirty (30) days written notice to Distributor and by NASDAQ OMX with thirty (30) days written notice either to Distributor or Subscriber. NASDAQ OMX may also alter any term of this Agreement with ninety (90) days written notice either to Distributor or Subscriber, and any use after such date is deemed acceptance of the new terms. In the event of Subscriber breach, discovery of the untruth of any representation of Subscriber, or where directed by the SEC in its regulatory authority, NASDAQ OMX may terminate this Agreement with not less than three (3) days written notice to Subscriber provided either by NASDAQ OMX or Distributor.

11. AMENDMENTS / AGREEMENT. Except as otherwise provided herein, no provision of this Agreement may be amended, modified or waived. No failure on the part of NASDAQ OMX or Subscriber to exercise, no delay in exercising and no course of dealing with respect to any right, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege under this Agreement. If any of the provisions of this Agreement or application thereof to any individual, entity or circumstance is held invalid or unenforceable, the remainder of this Agreement, or the application of such terms or provisions to individuals, entities or circumstances other than those as to which they are held invalid or unenforceable, shall not be affected thereby and each such term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law. In the event of any conflict between the terms of this Agreement and of the Distributor's agreement, the terms of this Agreement shall prevail as between

NASDAQ OMX and Subscriber.
