Section 6. Representations, Rights and Obligations of Nasdaq.

- (a) Nasdaq agrees to provide to Subscriber, on the terms and conditions set forth herein, the Service, which Subscriber requests and for which Subscriber is eligible under the Nasdaq Requirements. - (c) Nasdaq reserves the right to withhold Data from dissemination if, in its discretion, there is a reasonable basis for believing that the Data is not calculated in accordance with the methods specified in the Nasdaq Requirements or is otherwise in error, if sales and/or redemptions of the Subscriber's Funds or securities have been suspended, or if for any other reason it appears that continued dissemination of the Data would not be appropriate in the public interest and the protection of investors. Prior to Nasdaq withholding Data from dissemination, Nasdaq shall, where practicable, provide written notice to Subscriber
- (d) Nasdaq may, upon notice to Subscriber, suspend or discontinue the collection or dissemination of Data and terminate this Agreement with regard to particular Fund(s) if: (i) the Subscriber or a particular Fund ceases to be eligible for participation in MFQS under the Nasdaq Requirements, or (ii) the Subscriber or a particular Fund fails to comply with the terms of this Agreement, or (iii) it is determined by Nasdaq that the Subscriber has misrepresented its qualifications for inclusion in MFQS.

- (b) The Receiving Party shall have the limited right to use the Confidential Information only for the purpose of fulfilling its commitments and obligations to the Disclosing Party under this Agreement and for no other purpose.
- (c) The Receiving Party shall promptly notify the Disclosing Party of any breach or suspected breach of the provisions of this Section 7.
- (d) "Confidential Information" shall not include any information which the Receiving Party can demonstrate (i) is in the public domain through no fault or breach of confidentiality by such Receiving Party, (ii) was rightfully known by the Receiving Party prior to its disclosure by the Disclosing Party and was not obtained in such circumstances subject to a requirement of confidentiality, or (iii) was developed independently of, and without the use of or access to, any Confidential Information exchanged pursuant to this Agreement.
- (e) Despite the obligations of this Section, the Receiving Party may disclose Confidential Information of the Disclosing Party to the limited extent such Confidential Information is required to be disclosed by the Receiving Party by Law or pursuant to an order of any court, administrative body or self-regulatory organization; provided that, where practicable, the Receiving Party shall provide the Disclosing Party with notice of such request or order, including copies of subpoenas or orders requesting such Confidential Information, and shall not make disclosure pursuant thereto until legally required.
- (f) The provisions of this Section 7 shall survive termination of this Agreement.

Section 8. Fees; Taxes.

- (b) Subscriber shall pay any service or similar taxes, charges or assessments (other than taxes imposed on the net income of Nasdaq) by any foreign or domestic national, state, provincial or local government bodies, or subdivisions thereof, and any penalties of interest on such taxes, charges or assessments relating to the provision of the Service to Subscriber. Subscriber shall not be responsible for the penalty or interest that is imposed on Nasdaq as a result of Nasdaq's failure to pay and assess any taxes, charges, or assessments in a timely manner, unless Nasdaq's failure was a result of a good faith disagreement with the taxing authority as to any tax, charge, or assessment. In addition, if Subscriber is required by applicable law to deduct or withhold any such tax, charge, or assessment from the amounts due Nasdaq, then such amounts due shall be increased so that the amount actually received by Nasdaq after the deduction or withholding of any such tax, charge, or assessment, will equal one hundred percent (100%) of the charges that are owed.

Section 9. Term and Termination.

The term of this Agreement shall commence on the Effective Date and, unless the Agreement is otherwise terminated, the term shall continue until this Agreement is terminated by at least thirty (30) days prior written Notice by a Party hereto given to the other. Notwithstanding the foregoing, this Agreement may be terminated by:

Upon termination of this Agreement for any reason, Subscriber shall cease any and all use of the Service and shall, upon request, provide certification to Nasdaq that it has done so. Subscriber acknowledges and agrees that the exercise by Nasdaq of the remedies set forth herein for failure of Subscriber to pay any or all charges, taxes, or assessments related to its receipt of the Service shall not be deemed or considered to be, and, to the extent permitted by applicable law, Subscriber waives any right to represent or assert that any such exercise constitutes, an act or omission or any improper denial or limitation of access to any service or facility operated by Nasdaq as contemplated in Section 11A of the Act or any other provision of such Act, or any rule or regulation adopted thereunder. The right of termination set forth therein is in addition to any other remedy at law or in equity that is available to one Party with respect to a breach by the other Party.

Section 13. Virus Notification/Assumption of the Risk. Subscriber acknowledges that it is possible to contract a virus or similar "disease" by using the Internet or material downloaded from it. In addition, Web sites are inherently not as secure or reliable an environment as computers connected by dedicated lines and have been in the past vulnerable to attack by hackers and other third parties. Subscriber should obtain, use and update virus-checking software routinely when Subscriber is using information or data obtained from the Internet. Nasdaq will use commercially reasonable efforts to assure but cannot guarantee Subscriber that the Service and the information or data downloaded from it will be virus or problem free. Except as set forth herein, by using the Service, Subscriber agrees to assume the risk of any unavailability, interruption, delay, incompleteness, or inaccuracy of the Service.

Section 14. Force Majeure. Notwithstanding any other term or condition of the Agreement, none of Nasdaq, its third party information providers or Subscriber shall be obligated to perform or observe its obligations undertaken in the Agreement (except for obligations to make payments hereunder and regulatory obligations) if prevented or hindered from doing so by any circumstances found to be beyond its control.

Section 15. Indemnification.

- (a) Notwithstanding any limitation on Nasdaq's liability provided for by this agreement, Subscriber shall be liable to, indemnify against, and hold Nasdaq, its information providers, their employees, directors, and other agents harmless from, any and all Claims or Losses imposed on, incurred by or asserted against any of Nasdaq, their employees, directors, and other agents to the extent that the Claims and Losses result from acts or omissions of the Subscriber, its employees, directors, and other agents or from the use of the Service provided hereunder in a manner not explicitly licensed hereunder or in a manner not consistent with use restrictions and requirements provided hereunder by Subscriber, its employees, directors, and other agents or by any other Person who directly or indirectly, with or without proper authorization, obtains access to or information from the Service via Subscriber. Subscriber's obligation to defend and indemnify under this subsection shall be conditioned on the following: (i) Nasdaq shall promptly notify Subscriber in writing of the claim, action or allegation (but, in any event, in a time frame that does not prejudice the rights of Subscriber or Nasdaq); (ii) Nasdaq shall cooperate fully with Subscriber in the defense thereof and Subscriber shall be liable to Nasdaq for Nasdaq's reasonable expenses (excluding reimbursement for the time value of Nasdaq's employees, directors, and other agents in providing such cooperation); and (iii) Subscriber shall have sole control of the defense and all related settlement negotiations, but upon Nasdaq's request, shall apprise Nasdaq of the status of any proceedings or negotiations. shall not agree to any settlement that requires an indemnified party to pay damages, admit liability, or otherwise suffer any adverse consequence without an indemnified party's prior written consent. For the avoidance of doubt, Subscriber shall not be liable for any Claims or Losses arising out of the gross negligence or willful misconduct of Nasdaq.

- (b) Nasdaq shall defend, indemnify and hold harmless Subscriber, its employees, directors, other agents, affiliates and Fund sponsors from any and all Claims and Losses imposed on, incurred by or asserted against Subscriber, its employees, directors, other agents, affiliates and/or Fund sponsors as a result of any allegation that the Service infringes or misappropriates any third parties' U.S. or European Community intellectual property rights. Nasdaq shall indemnify and hold Subscriber, its employees, directors, other agents, affiliates and Fund sponsors harmless from any and all such Claims and Losses imposed on, incurred by or asserted against Subscriber, its employees, directors, other agents, affiliates and Fund sponsors. Nasdaq's obligation to defend and indemnify under this subsection shall be conditioned on the following: (i) Subscriber shall promptly notify Nasdaq in writing of the claim, action or allegation (but, in any event, in a time frame that does not prejudice the rights of Subscriber or Nasdaq); (ii) Subscriber shall cooperate fully with Nasdaq in the defense thereof and Nasdaq shall be liable to Subscriber for Subscriber's reasonable expenses (excluding reimbursement for the time value of Subscriber's employees, directors, other agents, affiliates and Fund sponsors in providing such cooperation); and (iii) Nasdaq shall have sole control of the defense and all related settlement negotiations, but upon Subscriber's request, shall apprise Subscriber of the status of any proceedings or negotiations. Nasdaq shall not agree to any settlement that requires an indemnified party to pay damages, admit liability, or otherwise suffer any adverse consequence without an indemnified party's prior written consent.
- (c) For any and all Claims and Losses imposed on, incurred by or asserted against Subscriber, its employees, directors, other agents, and affiliates as a result of any alleged infringement or misappropriation by the Service of any third parties' intellectual property rights other than U.S. or European Community intellectual property rights, Subscriber shall notify Nasdaq in writing of the claim, action or allegation at least five (5) days before a responsive action is needed, so as not to prejudice the rights of Subscriber or Nasdaq, but, in any event, said notification to Nasdaq shall not be given later than 15 days after Subscriber receives notification of any alleged non-U.S. or non-European Community infringement or misappropriation. Notwithstanding the foregoing, in the case of late notification, Nasdaq shall be relieved from its indemnification obligations set forth in this Section 15 only to the extent materially prejudiced by such delay. No failure to so notify Nasdaq shall relieve Nasdaq of its obligations under this Agreement except to the extent that it can demonstrate damages attributable to such failure.
- (d) Nasdaq shall not have the obligation to defend, indemnify and hold Subscriber, its employees, directors, other agents and affiliates harmless for any and all Claims and Losses imposed on, incurred by or asserted against Subscriber, its employees, directors, other agents and affiliates as a result of any allegation of infringement or misappropriation if the Service has not been used in accordance with this Agreement or to the extent it is based on use of a superseded version of the Service if such infringement or misappropriation

would have been avoided by use of the current version of the Service.

- (e) In the event of a claim, action or allegation of infringement or misappropriation or if, in Nasdaq's opinion, such a claim, action or allegation is likely to occur or if the use of the Service is enjoined because of infringement or misappropriation, Nasdaq may, at its sole option and expense, procure for Subscriber the right to continue using the Service, replace or modify the Service to be non-infringing, or terminate the Service.
- (f) This subsection sets forth the entire liability and the exclusive remedy of Nasdaq and Subscriber, its employees, directors, other agents, and affiliates for the infringement or misappropriation of intellectual property.

Attachment A – MFQS Fund List

Subscriber fund list

Nasdaq publishes a current directory of MFQS listed instruments on a daily basis via the Nasdaq Trader website. Within the [MFQS directory](#), Nasdaq includes the MFQS Symbol, Instrument Name, and Issuer Name.

MFQS instrument set-up procedure

As of 2016, Nasdaq supports mutual funds, money market funds, unit investment trusts (UITs), structured products, annuities, alternative investment products and NextShares Exchange Traded Managed Funds. MFQS currently only supports U.S. dollar denominated instruments.

In order to use MFQS for daily valuation reporting, a Subscriber must be registered with the U.S. Securities and Exchange Commission (SEC). In addition, the Subscriber must submit a new instrument application for each and every instrument that it wishes to report via MFQS.

At the instrument level, MFQS supports two instrument tiers based on how widely the data is disseminated by downstream users:

1) News Media List: Due to space limitations, newspaper and printed media may restrict the number of funds included in fund tables. In order to assist the newspapers in determining which funds have the broadest appeal to the investing public, Nasdaq the following eligibility requirements for this top level of funds.

Instrument Type / Tier	Initial Eligibility Criteria	Maintenance Certification Criteria
News Media List – Open End Mutual Funds and Money Markets	<p><u>Fund Level:</u></p> <ul style="list-style-type: none"> • SEC registration of the fund AND • \$25 million in net assets OR • 1,000 shareholder accounts 	<p><u>Fund Level:</u></p> <ul style="list-style-type: none"> • SEC registration of the fund AND • \$15 million net assets OR • 750 shareholder accounts

2) Supplemental List: Since the electronic media does not have the same space considerations as the print media, Nasdaq allows mutual funds and money market funds that do not meet the financial eligibility requirement listed above to use the MFQS system for price reporting purposes with a "Supplemental List" designation. Unit investment trusts (UITs), variable annuities, structured products, alternative investment products, and NextShares also may use the MFQS system under the "Supplemental List".

To be eligible for the Supplemental List, the instrument must:

1. Have a unique security identifier assigned by S&P CUSIP Bureau; and
2. Meet one of the following criteria:
 - a. Instrument must be actively registered with authorized U.S. regulatory body, such as SEC, Commodity Futures Trading Commission (CFTC) or Municipal Securities Rulemaking Board (MSRB);
 - b. Issuer must be actively registered with authorized U.S. regulatory body and instrument must qualify for bona fide regulatory exemption; or
 - c. Issuer must petition Nasdaq on a case by case.

Deleted: To be eligible for the Supplemental List, the instrument must be actively registered with an authorized U.S. regulatory body, such as SEC or Municipal Securities Rulemaking Board (MSRB). The instrument must also have a unique security identifier assigned by S&P CUSIP Bureau.
