The above referenced company announced a 6-1 forward stock split, payable as a stock dividend, to its shareholders of record September 22, 2003. The Nasdaq Stock Market, Inc. (NASDAQ), based on this information, established an ex-dividend date of October 6, 2003.

Subsequently, NASDAQ received notification that the additional shares were not mailed automatically to the shareholders of record of September 22, 2003; rather the additional shares were being distributed upon presentation of the old shares to the Transfer Agent, Pacific Stock Transfer.

In view of this additional information, it was determined that sufficient confusion existed regarding the quotation and trading of NPZC on the OTCBB. Pursuant to Rule 6545, a trading and quotation halt was implemented at 17:12:35 on October 6, 2003.
