

MEMORANDUM

TO: Members, Member Clerks and Exchange Trading Floor Employees

FROM: William G. Wills *W. G. W.*

SUBJECT: Trading Floor Fire Drill

DATE: April 12, 2007

On Tuesday, April 17, 2007, from 4:10pm through 4:20pm, the Exchange will be conducting a mandatory fire drill on the trading floor. You should take this opportunity to become acquainted with and exit from the five (5) fire towers on the lower level.

It is for your safety that you participate in this mandatory fire drill.

The start of the fire drill will be announced over the "PA" system. Area wardens will direct floor personnel to the fire exits. Those returning to the trading floor after the fire drill, can reenter the building through the 19th and 20th Street entrances. Just a reminder, take your ID badge for reentry into the building.

If you should have any questions on the above, please feel free to call me at (215) 496-5033.
