RE: **Caremark Rx, Inc. (CMX)**
Offer to Purchase

Express Scripts, Inc. (ESRX) is offering to acquire all of the outstanding Common shares of Caremark Rx, Inc. (CMX). Caremark Rx, Inc. (CMX) will receive 0.426 Express Scripts, Inc. (ESRX) Common Shares Plus \$29.25 in cash for every Common Share of Caremark Rx, Inc. (CMX) being held, in accordance with the terms and subject to the conditions set forth in the Offer to Purchase, dated January 16, 2007, and in the related Letter of Transmittal, which together constitute the "Offer".

There is a guarantee period of three (3) New York Stock Exchange (NYSE) Trading Days, in which shares not immediately available may be tendered under a "Notice of Guaranteed Delivery".

The Offer and withdrawal rights will expire at 12:00 Midnight, New York City time, on Tuesday, February 13, 2007, unless extended.

The foregoing discussion is an unofficial summary of the terms of the offer, prepared by PHLX for the convenience of its members. PHLX accepts no responsibility for the accuracy or completeness of this summary. Members should refer to the offer to purchase for the authoritative description of the offer and all of its terms and conditions.

SPECIAL RISKS

Special risks exist for uncovered writers of CMX call options. If an uncovered call option writer is assigned on or before the tender offer expiration date, the writer may not be able to deliver CMX Common Stock by the option settlement date. The Options Clearing Corporation ("OCC") Article VI, Section 19 of the By-Laws describes steps, which may be taken in the event that there is a shortage of shares.

Please note that CMX options will not be adjusted to reflect the expiration of the tender offer. Until a merger, consolidation or similar event occurs, CMX common stock will still exist, trade and be deliverable in settlement of option exercise.
