### **SPECIAL RISKS**

Special risks exist for uncovered writers of NQV call options. If an uncovered call option writer is assigned on or before the tender offer expiration date, the writer may not be able to deliver LAUR Common Stock by the option settlement date. The Options Clearing Corporation ("OCC") Article VI, Section 19 of the By-Laws describes steps, which may be taken in the event that there is a shortage of shares.

**Please note that NQV options will not be adjusted to reflect the expiration of the tender offer. Until a merger, consolidation or similar event occurs, LAUR common stock will still exist, trade and be deliverable in settlement of option exercise.**
