RE: **CVS/Caremark Corp. (CVS)**
PARTIAL SELF-TENDER OFFER

CVS/Caremark Corp. is offering to purchase up to 150,000,000 of its Common Shares (CVS) at a price of \$35.00 in cash per share being held, in accordance with the terms and subject to the conditions set forth in the Offer to Purchase, dated March 28, 2007, and in the related Letter of Transmittal, which together constitute the "Offer".

There is a guarantee period of three (3) NYSE Trading Days, in which shares not immediately available may be tendered under a "Notice of Guaranteed Delivery".

The Offer and withdrawal rights will expire at 12:00 Midnight, New York City time, on Tuesday, April 24, 2007, unless extended.

The foregoing discussion is an unofficial summary of the terms of the offer, prepared by PHLX for the convenience of its members. PHLX accepts no responsibility for the accuracy or completeness of this summary. Members should refer to the offer to purchase for the authoritative description of the offer and all of its terms and conditions.

SPECIAL RISKS

Special risks exist for uncovered writers of CVS call options. If an uncovered call option writer is assigned on or before the tender offer expiration date, the writer may not be able to deliver CVS Common Stock by the option settlement date. The Options Clearing Corporation ("OCC") Article VI, Section 19 of the By-Laws describes steps, which may be taken in the event that there is a shortage of shares.

Please note that CVS options will not be adjusted to reflect the expiration of the tender offer. Until a merger, consolidation or similar event occurs, CVS common stock will still exist, trade and be deliverable in settlement of option exercise.
