

Memo No.# 2623-07

**Bernard Donnelly**   
Vice President  
Quality Assurance/Quality Control

October 22, 2007

To: All Members and Member Firms  
Subject: Daylight Savings Time System Verification Testing

Due to a 2005 Federal energy conservation initiative, Daylight Savings Time ("DST") will end one week later (November 4<sup>th</sup>) than previous years. To assist Member Firms with system preparedness for the subsequent business day the Philadelphia Stock Exchange ("PHLX") will make all Trading System platforms available on **Sunday, November 4, 2007** for those Member Firms who would like to conduct some preliminary system verification testing.

**Test Times:** Session 1: 9:30 until 10:30 am (EST.)  
Session 2: 10:30 until 11:30 am (EST.)  
**Test Symbols:** Any PHLX Eligible Symbols

Member Firms wanting to participate on this date must register with the PHLX by contacting the Technical Account Management Group at **215-496-5310** or email **QATAMG@PHLX.COM**. The cut-off date for registration is end of business day **October 31, 2007**. If emailing your request please provide the following information; Company's name, contact name and number, test time and application session port(s) your firm intends to verify.

On the scheduled test date Member Firms should call into the following numbers for the specific type of network/application verification they will be conducting;

- Network Connectivity Verification: **215-496-5050 or 215-496-5052**  
(e.g.: Telnet or Heartbeat Response only)
- XLE (Equity) Order Execution Verification: **1-877-678-7459**
- XL (Options) Order Execution Verification: **215-496-1571**

Member Firms who experience any difficulties in establishing their connections and/or any time related issues on the subsequent business day, **Monday, November 5, 2007** should contact the System Support Group at **215-496-1571**.

If you have any questions or require additional information regarding this notice you may contact Annette Ward at 215-496-5550
