RE: **Tektronix, Inc. (TEK)**
Tender Offer

Raven Acquisition Corp., an indirect wholly-owned subsidiary of Danaher Corporation is offering to acquire all of the outstanding Common shares of Tektronix, Inc. (TEK). Tektronix, Inc. (TEK) will receive \$38.00 in cash for every Common Share of Tektronix, Inc. (TEK) being held, in accordance with the terms and subject to the conditions set forth in the Offer to Purchase, dated October 18, 2007, and in the related Letter of Transmittal, which together constitute the "Offer".

There is a guarantee period of three (3) New York Stock Exchange trading days, in which shares not immediately available may be tendered under a "Notice of Guaranteed Delivery".

The Offer and withdrawal rights will expire at 11:59 P.M., New York City time, on Thursday, November 15, 2007, unless extended.

The foregoing discussion is an unofficial summary of the terms of the offer, prepared by PHLX for the convenience of its members. PHLX accepts no responsibility for the accuracy or completeness of this summary. Members should refer to the offer to purchase for the authoritative description of the offer and all of its terms and conditions.

SPECIAL RISKS

Special risks exist for uncovered writers of TEK call options. If an uncovered call option writer is assigned on or before the tender offer expiration date, the writer may not be able to deliver TEK Common Stock by the option settlement date. The Options Clearing Corporation ("OCC") Article VI, Section 19 of the By-Laws describes steps, which may be taken in the event that there is a shortage of shares.

Please note that TEK options will not be adjusted to reflect the expiration of the tender offer. Until a merger, consolidation or similar event occurs, TEK common stock will still exist, trade and be deliverable in settlement of option exercise.
