Re: **McDermott International, Inc. (MDR) - 2 for 1 Stock Spli**

McDermott International, Inc. (MDR) has declared a 2 for 1 stock split payable to share holders of record on Monday, August 20, 2007. Distribution date for the stock split will be Monday, September 10, 2007 **Ex-distribution date for the stock split will be Tuesday, September 11, 2007**

The Options Clearing Corporation (OCC), pursuant to OCC By-Laws, intends to issue on the distribution date (1) additional MDR option contract for each option contract held. Further, on the ex-distribution date each MDR series will have an adjusted exercise (strike) price equal to 1/2 of the exercise (strike) price for each MDR series existing on the business day preceding the ex-distribution date. For example, beginning on Tuesday, September 11, 2007 an account holding (2) MDR SEP 65 calls (MDR IM) will hold (4) MDR SEP 32 1/2 calls (MDR IZ). Customers should be advised that (1) contract in the adjusted MDR series will still represent 100 shares of MDR common shares.

For previously adjusted YBB series the deliverable will now represent 300 MDR Common Shares. Strike prices and symbols will remain unchanged. Contract multiplier will also remain unchanged at 150

POSITION/EXERCISE LIMITS:

Position and exercise limits will change from 300,000 to 600,000 contracts until the expiration date of January 16, 2010

GOOD-TILL-CANCELLED (GTC) ORDERS:

Customers should be advised that all Good-til-Cancelled (GTC) orders not on AUTOM must be cancelled and re-entered prior to the ex-distribution or effective date. GTC AUTOM orders will be deleted by PHLX Service Desk/AUTOM person:

The resulting list of adjusted strike prices and symbols is as follows:
